

Consultants interested in pursuing the project described below should respond to me by email within two weeks. You may include additional relevant information in your responses or as attachments. If you have already sent me attachments, I will automatically attach them unless specified otherwise by you. Use good judgment in what you include so I don't have to edit. I will forward your e-mail responses, and/or paper documents, to the landowner. I encourage landowners to contact all the consultants who reply in a timely fashion, but they may delay or change their mind. When responding to this email please put the referral number as the subject line. Thank you.
